Automobili Lamborghini S.p.A. ("Lamborghini"), with registered office in Via Modena 12, Sant'Agata Bolognese (BO), Italy, which acts as data controller, uses cookies in compliance with the applicable regulatory provisions and, in particular, with EU Regulation UE 2016/679 and Italian Legislative Decree 196/2003.

The Data Protection Officer (DPO) can be contacted by writing to the address dpo@lamborghini.com, also to exercise the rights provided for by legislation in force on the subject as described in our privacy policy .

Cookies, as described by the relevant legislation, are small text files which the site sends to the user's browser, where they are stored to then be sent back to the same site when it is subsequently visited again by the same user. When browsing the site, the user may also receive cookies on their terminal sent by other web servers or sites ("third-party cookies") which contain some of the elements (e.g. images, maps, audio, specific links to pages of other domains) displayed on the site they are currently visiting. Cookies are used for different purposes: session monitoring, storage of information about specific configurations regarding the users accessing the server, data analysis, statistics, etc. In the case of third-party cookies, the data will be sent to the relevant third party.

In implementing the provisions of Directive 2009/136/EC, prior and informed consent of the users to install cookies used for purposes other than merely technical in nature must be acquired. "Strictly necessary cookies" and "functionality cookies" fall within the category of technical cookies and they shall be installed without prior consent and cannot be disabled.

This website installs technical cookies only.

Cookies can be authorized, restricted or blocked also through browser settings. However, the device will be set in such a way as to refuse the technical or navigation cookies, and some site services might not be correctly displayed or function optimally. To disable the cookies, follow the cookie management instructions provided on the browser.
